For the Woman Who Has Foot Trouble The "Arch-Rest" Shoe Should Be a Great Benefit.

Special attention is called to our "Arch-Rest" Shoes for women These shoes are made especially for the relief of women with flat feet and broken-down arches. Specially constructed on a scientifically modeled last, designed for a shoe of this character.

The "Arch-Rest Shoes have not been made at random or upon theory-but after years of careful study, combining expert knowledge and science with practical information.

They have been produced to correct and alleviate the ills from which women with "sick" feet suffer-such as pains in the limbs, ankles and feet and discomfort and fatigue after short walks. .

The Main Points About the "Arch-Rest" Shoes.

Scientific Arch-Holds and supports your instep, just where needs support.

Special-shaped Last-Comfortable; without any of the fancy curves, but neat and refined in appearance. These Shoes are made of the Best Dongola Kidskin, with flexible

Goodyear welt sole and a heel designed and attached so as to catch the weight of the body where the ordinary heel does not. These shoes have our special recommendation to women who

are seeking comfort and ease, and a corrective measure to footills; \$5.00 and \$6.00 pair. Third floor-Tenth st.

Many Years' Trial Should Test Blankets

Many years' trial by practical service in the homes of our patrons has proven beyond doubt that these blankets we are selling for \$5.00 a pair in double-bed size and \$6.00 pair in extra length are the best that money can buy.

They are woven with 90 per cent of wool in the filling, and cotton warp to prevent shrinkage in the wash.

This year they are selling better than ever, because their quality is known better and the prices are as low as ever-which is saying

Cotton Conditions in South Affects Number of Southern Girls.

The cotton condition in the South brought on by the European war, has had an effect on the number of Southern girls attending private schools in this city. But this loss is made up by the large number of girls who had planned attend schools in Europe, and have been compelled to come here.

This city is regarded by many as
the best substitute that could be de-

To Cure Catarrh **Purify the Blood**

Reason it Out, Where Does it Start the Mucus From?

Innumerable catarrh sufferers have Innumerable catarrh sufferers have cured themselves by purifying their blood with S. S. Catarrh often invades the entire system before it chokes the nasal pasagges. It becomes so chronic and extensive that the stomach, liver, kidneys, bronchial tubes and most of the glands are involved without such serious conditions being realized. Catarrh may be the result of some serious blood trouble of former years, and this is only one of the many peculiar effects of impure blood. Now S. S. S., in its influence upon the mucous surfaces, causes those catarrhal secretions to be changed or converted into a substance easily, quickly, and natsecretions to be changed or converted into a substance easily, quickly, and nat-urally expelled from the body. It so changes this mucus that it is not the ropy, clogging stuff that plugs the nose, chokes the throat, causes severe bowel trouble, upsets the stomach and contaminates the food just entering the blood. It is often difficult to convince catarrh sufferers that chronic cough, chest pains, ganging, fetid hreath and other symptoms are only the local evidence of deep seated trouble. Get a bottle of S. S.
